The image shows a blank United States Veterinary Biological Product Permit form. The form is framed by a decorative green border. At the top, the text "United States Department of Agriculture" is printed in a large, bold, serif font. Below this, the title "UNITED STATES VETERINARY BIOLOGICAL PRODUCT PERMIT" is printed in a smaller, bold, sans-serif font. In the center of the form is a large, circular seal of the United States Department of Agriculture. The seal features a shield with a plow and a sheaf of wheat, surrounded by the words "UNITED STATES DEPARTMENT OF AGRICULTURE" and "FOUNDED 1889". To the right of the seal, the text "NO." is printed, followed by a blank line for the permit number. Below the seal, the text "Issued at Washington, D.C. on" is printed, followed by a blank line for the date. Below this, the text "Expires:" is printed, followed by a blank line for the expiration date. A paragraph of text follows, stating: "This permit is issued pursuant to the terms of the Act of Congress approved March 4, 1913 (37 Stat. 832), governing the preparation, sale, barter, exchange, shipment, and importation of veterinary biological products. So far as the jurisdiction of the U. S. Department of Agriculture is concerned,". Below this paragraph, the text "is authorized to import" is printed, followed by a blank line for the name of the importer. Below this, the text "prepared by" is printed, followed by a blank line for the name of the preparer. Below this, the text "into the United States through the port of" is printed, followed by a blank line for the port of entry. Below this, the text "Importation shall be made subject to the following special conditions:" is printed, followed by a blank line for the special conditions. Below this, a paragraph of text states: "This permit may be revoked if the permittee violates or fails to comply with said Act, the regulations made thereunder, or the conditions specified herein." At the bottom of the form, there are two lines for signatures. The left line is labeled "Date" and the right line is labeled "Director, Biotechnology, Biologics, and Environmental Protection Animal and Plant Health Inspection Service". Below the form, the text "APHIS FORM 2006 (FEB 89) Replaces VS FORM 14-6 (MAR) which may be used." is printed.

CFIA/ACIA Form 0108: Movement Certificate (Canadian)

Purpose: A document issued by the Canadian Food Inspection Agency certifying that articles are permitted to move from quarantine areas. Since the United States and Canada have parallel regulations for the gypsy moth, this certificate is acceptable for the movement of bulk articles (like railroad crossties) and outdoor household effects from Canada into the United States.

Directions: If this form declares that “the product is free from gypsy moth,” then you may release bulk articles (like timber and quarry products) and outdoor household effects.

Forms to Use When Seizing Agricultural Products

Leaflet: Notice to Arriving Traveler

- Purpose:** A leaflet that explains to the traveler why agricultural items must be seized.
- Directions:** Give this leaflet to the traveler whenever you seize an article or have it returned to Canada.
- Availability:** Order this leaflet from your local PPQ contact. The leaflet is available in several languages so be prepared to tell your contact what languages you need. The leaflet reproduced on the adjacent is in English and French. Feel free to photocopy this leaflet.

NOTICE TO ARRIVING TRAVELER

We regret that it is necessary to take agricultural items from your baggage. They cannot be brought into the United States because they sometimes carry plant and animal pests and diseases. Restricted items include fruits, vegetables, meats, plants, soil, and products made from plant or animal materials.

Agricultural pests and diseases are a threat to U.S. food crops and livestock. Some of these organisms are natural “polluters” capable of upsetting local ecological balances by destroying trees and other plant life. They also can affect property values by damaging lawns, ornamental plants, and (in the case of termites and other wood-eating insects) homes.

Confiscated items are carefully destroyed in special facilities of the U.S. Department of Agriculture. If you have any questions, write to: “Quarantines,” U.S. Department of Agriculture, P. O. Box 96464, Washington, DC 20090-6464.

To file a complaint, write the Secretary of Agriculture, U. S. Department of Agriculture, Washington, DC 20250, or call (202) 720-7327 (voice) or (202) 720-1127 (TDD). USDA is an equal employment opportunity employer.

Nous regrettons la necessite d'avoir a supprimer les produits agricoles de vos bagages. Ils ne peuvent pas etre introduits aux Etats-Unis parce qu'ils transportent parfois des insectes nuisibles aux plantes et aux animaux. Les articles sujets a ces restrictions comprennent fruits, legumes, viandes, plantes, terre, et produits fabriques avec des substances vegetales ou animales.

Les insectes et les maladies agricoles representent une menace pour les recoltes vivrieres, les plantes ornementales, et le cheptel des Etats-Unis. Certains de ces organismes bouleversent les balances naturelles en detruisant les arbres et autres flores. Ils peuvent aussi reduire la valeur des proprietes en endommageant les pelouses, les plantes ornementales, et meme les maisons—lorsque les termites et autres insectes detruisent le bois.

Les articles confisques sont soigneusement detruits dans des locaux speciaux du Ministere de l'agriculture des Etats-Unis. Si vous avez une question quelconque, ecrivez au bureaua “Quarantines,” U.S. Department of Agriculture, P. O. Box 96464, Washington, DC 20090-6464.

Forms to Use When Sampling Agricultural Products

PPQ Form 237: Record of Seed Offered for Importation Under the Federal Seed Act

Purpose:

A form that notifies consignees that their seed has been sampled and forwarded to USDA for examination. The form warns the consignee that the seed must be held intact subject to redelivery to Customs if demanded.

Directions:

1. Complete Section 1 of this form for each lot of seed.
2. Put the completed pink copy (Part 3) of the form and declaration of labeling (copy of the label and invoice) into the cloth bag.
3. Secure the outer cloth bag by tying the mailing tag.
4. Send the sample with its completed form by **PRIORITY MAIL** to:

Seed Examination Facility
PPQ-APHIS-USDA
Building 580 BARC-E
Beltsville, MD 20705

5. Give the completed yellow copy (Part 4) of the form to the consignee or the consignee's agent.
6. Mail the remaining white copies (Parts 1 and 2) of the completed form to the SEF in a separate envelope. Mail these copies the same day you send the sample—but separate from the sample.

Availability:

Request additional forms, bags, and tags from the address listed above.
